

Kite Street (Supported Independent Living)

Kite Street will offer Supported Independent Living
Accommodation (SIL)

Kite Street - Cowra

This exciting development is nearing completion and designed to promote the needs of residents, whilst increasing their accessibility to local facilities, transport and community inclusion activities. Kite Street accommodation will create an integrated community of accessible housing in Cowra for people living with disability.

Find a place to call your own with our Supported Independent Living service

What we can offer?

Our Supported Independent Living (SIL) services enable you to decide how supports in the home are structured to best suit your needs. Through these services you have the choice of who you live with.

Our fully accessible 24/7 Shared Supported Living service supports you with:

- Rent
- Utilities
- Groceries
- Daily personal needs and skill development

Accommodation-related community access, such as community-based activities, shopping and medical appointments

What are the benefits of SIL

You get the choice and control regarding where you want to live and what supports you want. We can support you 24/7 or provide day-to-day drop-in support. Our Supported Independent Living services ensure that you feel comfortable, safe and secure in your own home.

It's important that you can have your say. We will work with you to find a home that suits your needs, match you with like-minded residents and support you to build your independence at home.
