

Illamatta Way Day Programs - Friday

Friday Programs

Beading Buddies & Colouring Companions

Program \$6.00

Using your creativity make Necklaces, bracelets, or earrings or use your imagination and create different patterns with Hama or Pearler beads to make Key tags, animals or create your own designs. A challenge for your fine Motor Skills and Creativity.

Enjoy colouring with those who have the same passion. Select a picture to colour or create your own and enjoy some music and conversation while completing it. You can mix it up and try colouring on the computer and develop your computer skills while doing something you love. You can print off your picture to add to our wall or take it home to put on yours.

Coffee Connoisseurs

Program \$8.00 - Transport \$8.00 = \$13.00

Enjoy a drink and conversation at a local café with others who love to have a chat. Improve your social skills and work on your money handling skills. Order and pay for your own drink to develop social confidence and money handling skills. When you have finished, head off to a local park for a walk and have your picnic lunch. Enjoy some gentle exercise

The Book Worms & Puzzles

Program \$3.00 - Transport \$4.00 = \$7.00

With the assistance of a support worker, access the Orange City Library. You will have the opportunity to browse the library, looking at and discuss displays, and visit new exhibitions at the Art Gallery. They will be able to participate in organized library activities as well as having the opportunity to borrow and return materials to the library (bring your library card or give consent to get one). Clients can then join in a 'reading circle' after they return to Illamatta Way. Gain social skills by interacting with members of the broader community as well as enhancing their literacy skills, and sense of social responsibility by looking after borrowed materials and returning them on time.

Take part in a variety of activities such as 2D and 3D jigsaw puzzles, connect 4 and simple construction activities such as 'connects'. These may also be computer based. These activities will help develop their fine motor skills and spatial awareness. Help develop a sense of personal achievement through developing problem-solving skills and persevering to successfully complete their chosen activity.
